**AMENDED AND RESTATED
PARTNERSHIP AGREEMENT**

AMENDED AND RESTATED PARTNERSHIP AGREEMENT (this "Agreement") effective as of January 1, 2009, by and among the undersigned parties and each party hereafter admitted as a partner.

RECITALS

A. The Partnership (defined below) was formed as a New York limited liability partnership for the practice of law and has been operating as such since July 15, 1997, pursuant to a Partnership Agreement, dated as of that date, among Mary Donovan, Bela Amladi and Marya Yee (the 'Original Partnership Agreement').

B. The name of the Partnership had previously been changed from "DONOVAN AMLADI & YEE LLP" to "DONOVAN & YEE LLP" and subsequent to the execution of this Agreement will be changed to "DONOVAN, CALVARUSO & YEE LLP."

C. Marya Lenn Yee and Bela Amladi are no longer Partners (as defined below) by virtue of Ms. Yee's death and Ms. Amladi's withdrawal from the Partnership, resulting in Mary Donovan being the sole surviving Partner of the Partnership with units of participation in the Partnership (prior to giving effect to this Agreement).

D. The Original Partnership Agreement permits the admission of new Partners to the Partnership, and it permits amendments to the Original Partnership Agreement.

E. The Partnership and Ms. Calvaruso entered into an agreement, dated as of April __, 2008, pursuant to which Ms. Calvaruso became a "contract partner" of the Partnership, which agreement is being terminated in connection herewith.

F. The parties hereto wish to (i) admit Ms. Calvaruso as a Partner with units of participation in the Partnership, effective as of January 1, 2009 and (ii) amend and restate the Original Partnership Agreement.

G. The parties hereto are all members of the Bar of the State of New York.

H. The parties hereto are desirous of recording their understanding with respect to the formation of the partnership, the conduct of the business and affairs of the partnership, as a registered limited liability partnership, the respective rights and obligations of the partners therein, and certain other matters more particularly set forth herein.

In consideration of the facts stated above and for other good and valuable consideration, the parties hereby agree as follows:

ARTICLE I

GENERAL PROVISIONS

1.1 Formation. The Partnership was formed, as of July 15, 1997, as a domestic registered limited liability partnership (the "Partnership").

1.2 Registration. The Partnership was registered pursuant to Article 8-B, Section 121-1500 of the Partnership Law of the State of New York (the "New York Partnership Law"), by the execution and filing of a Certificate of Registration of a Domestic Registered Limited Liability Partnership, a copy of which is annexed hereto as Exhibit "1" (the "Certificate of Registration"), with the Department of State of the State of New York in accordance with and pursuant to the New York Partnership Law. The execution and filing of the Certificate of Registration are hereby ratified and confirmed by the Partners.

1.3 Name. The name of the Partnership is DONOVAN, CALVARUSO & YEE LLP (the "Partnership Name").

1.4 Date, Purpose. The undersigned parties and each party hereinafter admitted as a partner (herein referred to collectively as "Partners" and singularly as "Partner") to the Partnership hereby agree, effective as of July 15, 1997, to commence operation of the Partnership, and to continue to operate the same for the purpose of engaging in the practice of law and conducting all types of business incident thereto pursuant to and in accordance with the terms and conditions of this Agreement, until the Partnership is dissolved in accordance with either the provisions of this Agreement or the New York Partnership Law.

1.5 Location. The principal place of business of the Partnership shall be at The Soho Building, 110 Greene Street, Suite 700, in the City of New York, County of New York, State of New York. This location may be changed and/or additional offices established upon approval by a Majority Vote. Such location changes or additions may be made without formal written amendment of this Agreement.

ARTICLE II

VOTING

2.1 Vote Required for Partnership Action. Unless the vote of a greater proportion or number is otherwise required by the New York Partnership Law or by this Agreement, decisions concerning the management of the Partnership and all Partnership action shall be taken by a Majority Vote.

2.2 Absence. A Partner who is not present at a vote may vote by written proxy or by specific written instruction.

2.3 Quorum. Partners, present in person or by proxy, holding at least a majority in interest of the Partnership's net profits and losses (as the same may be allocated from time to time, without regard to any unallocated units of participation), shall constitute a quorum at any meeting of the Partners, provided that, if at the time of said meeting there shall only be two (2) Partners in the Partnership, then the Partner taking any action pursuant to Section 2.1 and this Section 2.3 shall promptly notify the other Partner of the taking of such action.

2.4 Action Without a Meeting. Any and all actions required or permitted to be taken at a meeting of the Partners may be taken without a meeting, without prior notice and without a vote, if one or more written consents, setting forth the action taken, shall be signed by Partners who hold voting interests having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all of the Partners entitled to vote therein were present and voted, provided that, if at the time of such written consent, there shall only be two (2) Partners in the Partnership, then the Partner taking any action pursuant to Section 2.1 and this Section 2.4 shall promptly notify the other Partner of the taking of such action..

2.5 Disqualification. A Partner will not be disqualified from voting on any issue notwithstanding his or her personal interest in the matter.

ARTICLE III **RIGHTS AND OBLIGATIONS OF PARTNERS**

3.1 Limitation on Liability; Indemnification.

(a) Each Partner's liability shall be limited to the fullest extent permitted by the New York Partnership Law and other applicable law. Without limiting the generality of the foregoing, a Partner shall not be personally liable or accountable, directly or indirectly (including, by way of indemnification, contribution or otherwise) for any debts, obligations, or liabilities of the Partnership or each other, whether arising in tort, by contract or otherwise, which are incurred, created or assumed by the Partnership, solely by reason of being a Partner of the Partnership or acting (or omitting to act) in such capacity or performing professional services or otherwise participating in the conduct of the Partnership's business.

(b) Notwithstanding anything to the contrary contained in this Agreement or otherwise, provided that the obligations set forth in this Section 3.1(b) have not been incurred solely by the unauthorized or wrongful acts of Andrea Calvaruso, the Partnership shall indemnify Andrea Calvaruso for any acts of the Partnership occurring prior to January 1, 2009, including obligations for malpractice incurred in an amount in excess of those covered by the Partnership malpractice insurance policy, but excluding any obligations resulting solely from Andrea Calvaruso's malpractice. This Section 3.1(b) is not for the benefit of any third party.

3.2 Professional Obligations. At Partnership expense, each Partner shall maintain his or her license and privilege to practice law in the State of New York and in the courts and administrative bodies in which he or she shall have occasion to practice.

Each Partner shall at all times be in material compliance with all of the canons of professional ethics adopted by the American Bar Association and by the New York State Bar Association, and with all statutes, rules and regulations applicable to the professional services he or she shall render.

3.3 Firm Obligations. Each Partner shall devote his or her best efforts and substantially all of his or her normal business time to professionally serving the Partnership and its clients and to any other activities sanctioned by a Majority Vote of the Partners for the number of hours so sanctioned. No Partner shall practice law under any name other than the Partnership Name. It is the duty of each Partner to account to the Partnership for all work done and transactions carried on under his or her supervision relating to the affairs of the Partnership.

3.4 Restrictions. No Partner shall, without the consent of a Majority Vote of the Partners:

(a) Borrow money in the Partnership name whether for Partnership purposes, or otherwise, or utilize collateral owned by the Partnership as security for such loans; or

(b) Pledge or hypothecate or in any manner transfer his or her interest in the Partnership or its assets, receivables, records, documents, files or clientele except as provided in this Agreement.

3.5 Expenses. Reasonable expenses incurred by the Partners in connection with the furtherance of the business of the Partnership will be reimbursed by the Partnership on submission of adequate vouchers and other supporting documentation, in accordance with the policies from time to time established by the Partnership. If any such reimbursed expenses incurred by a Partner are subsequently disallowed, in whole or in part, by any competent tax authority, then all items of income resulting from such disallowance will be allocated solely to the Partner who incurred such disallowed reimbursed expense. Any expense for any item or related items costing in excess of \$5,000, in the aggregate, shall require a Majority Vote.

ARTICLE IV CAPITAL

4.1 Original Capital Contributions. The original capital of the Partnership shall consist of the total cash and property, at book value, contributed to the Partnership as of the date hereof or prior hereto by the respective Partners as indicated in the attached Schedule "A" (the "Original Capital Contribution").

4.2 Capital Accounts. A separate capital account shall be established for each Partner to which will be credited his or her share of the Original Capital Contribution and any subsequent capital contributions and from which shall be debited all permitted withdrawals. Each Partner's capital account will be increased or decreased, as the case may be, by (1) the amount of money contributed by such Partner to the Partnership; (2) the fair market value of property contributed by such Partner to the Partnership (net of liabilities secured by such contributed property that the Partnership is considered to assume or take subject to under Section 752 of the Internal Revenue Code of 1986, as amended (the "Code")); (3) allocations to such Partner of net profits and net losses (as defined in Section 5.1); (4) allocations to such Partner of income described in Section 705(a)(1)(B) of the Code; and (5) allocations to the account of such Partner of Partnership loss and deduction as set forth in the treasury regulations promulgated under the Code, taking into account adjustments to reflect book value. The Partners agree that, as of January 1, 2009, Andrea Calvaruso has a zero balance in her capital account for all purposes hereunder.

4.3 Additional Capital Contributions.

(a) Each newly admitted Partner will be required to contribute to the Partnership's capital such sums, at such times and in such manner, as shall be determined by a Majority Vote, which requirements shall be reflected by a written agreement between such newly admitted Partner and the Partnership.

(b) Each Partner may be required, by decision of a Majority Vote, to make additional contributions to the Partnership's capital if such sums are reasonably necessary for funding actual or anticipated capital expenditures or other cash flow requirements of the Partnership. Each Partner's capital contribution shall be based upon his or her share, at the time that such contribution is required, of the net profits and net losses of the Partnership.

(c) A Partner may be required, by decision of a Majority Vote, to make additional contributions to the Partnership's capital to reflect any increase in his or her share of the net profits and net losses of the Partnership.

(d) A Partner may make other additional capital contributions only if authorized to do so by a Majority Vote.

(e) Notwithstanding the foregoing, Andrea Calvaruso shall not be required to make any capital contribution in connection with her admission to the Partnership, or in any other regard during calendar year 2009.

4.4 Withdrawal.

(a) A Partner may be permitted, by decision of a Majority Vote, to make a withdrawal from the Partnership's capital to reflect any decrease in his or her share of the net profits and net losses of the Partnership.

(b) The Partners may make other withdrawals from the Partnership's capital only if authorized to do so by a Majority Vote of the Partners.

4.5 Interest. No interest shall be paid on capital contributions or capital account balances. In the event that a Partner's required capital contribution (whether original or additional) is not fully paid by the expiration of the period originally granted by decision of a Majority Vote of the Partners, then such Partner shall pay interest to the Partnership on such deficit amount, in monthly installments, at a rate per annum equal to the "prime rate" charged from time to time by Citibank, NA (or such other substitute or successor index selected by a Majority Vote).

ARTICLE V

PROFITS AND LOSSES

5.1 Definition of Net Profits and Net Losses. The "net profits" and "net losses" of the Partnership shall mean, as the case may be, the Gross Income (as defined below) of the Partnership from Partnership operation less all expenses of the Partnership incident thereto, determined in accordance with other comprehensive basis of accounting ("OCBOA"), used for income tax reporting purposes by the Partnership, employing the cash receipts and disbursements method of accounting except for the accrual of the Partnership's contribution to the Partnership's qualified profit-sharing plan, if any. Partnership gross income ("Gross Income") shall include all fees, commissions, compensation or other income received by the Partnership, including income earned by the Partnership from its assets or investments and gains from the sale of Partnership assets or investments received by the Partnership, or by any Partner or employee thereof representing payment for legal services rendered by such Partner or employee and/or income received by such individual with respect to any Partnership asset registered in his or her name individually. For the purpose of determining Gross Income, all fees, commissions and compensation due to or received by any Partner or employee shall be included in the definition of Gross Income, including, but not limited to, payment for services rendered as an attorney, commissions for services rendered as a real estate or business broker or as a finder with respect to business transactions, fees received as officers or directors of clients of the Partnership (or for services in any similar capacity or function), and commissions as executor, trustee, administrator, guardian, committee or other fiduciary shall be considered compensation for legal services rendered whether payable to the individual or his or her estate. Any such payment received by any individual Partner or employee shall be promptly transmitted to the Partnership for deposit in the Partnership's regular bank account.

5.2 Method of Distribution. Net profits or net losses shall be shared among the Partners on the basis of units of participation. Each Partner's share of the Partnership's

net profits or losses shall be in direct proportion to the ratio of his or her units of participation to the total number of units of participation of all the Partners.

5.3 Allocation of Units of Participation. As of January 1, 2009, there are 100 units of participation in the Partnership. Unless and until reallocated pursuant the terms hereof, such units of participation shall be allocated between and among the Partners as follows: Mary A. Donovan – 95% and Andrea Calvaruso - 5%. Except as hereinafter otherwise provided, the Partners, by Majority Vote, shall have the exclusive power to allocate or cancel units of participation of each of the Partners, provided that no such re-allocation or cancellation may take place prior to January 1, 2010.

5.4 Guaranteed Payments.

(a) To the extent of available cash, Mary Donovan shall receive a monthly distribution equal to one-twelfth of \$350,000 and Andrea Calvaruso shall receive a monthly distribution equal to one-twelfth of \$250,000, for each fiscal year. After the satisfaction of the payments in the immediately preceding sentence, all additional distributions made to the Partners shall be allocated on the basis of the units of participation allocated to each Partner at such time and shall be distributed as determined by a Majority Vote.

(b) For the avoidance of doubt, the term “guaranteed payments” as used in this Agreement shall have the meaning set forth in Section 707(c) of the Code, and shall not mean that the Partnership or any Partner is guaranteeing any amount of distributions to any Partner.

5.5 Accounting. Monthly profit and loss statements and balance sheets, which shall contain such financial information as shall be reasonably requested from time to time by the Partners, shall be prepared by or for the Partnership. An annual profit and loss statement and balance sheet shall be prepared by the Partnership's independent certified public accountant and provided to the Partners. The Partners shall also receive on a timely basis such reports or schedules required by a Partner for reporting income from a partnership under any applicable tax laws.

ARTICLE VI
ADDITION AND DISASSOCIATION OF PARTNERS

6.1 Addition of Partners. A new Partner maybe invited to join the Partnership upon agreement of a Two-Thirds Vote. The amount of such new Partner's initial capital contribution, drawing account, share of the Partnership's net profits and losses shall be determined by a Majority Vote at the time of admission. As a condition of admission, a new Partner shall execute, acknowledge and deliver to the Partnership such agreements, instruments, certificates and other documents, and shall perform such other acts which a Majority Vote deems necessary or desirable to:

- (a) constitute such person as a Partner;
- (b) confirm that such person desiring to acquire an interest in the Partnership and be admitted as a Partner has accepted, assumed and agreed to be bound by all of the terms and provisions of this Agreement, as the same may be further amended;
- (c) maintain the status of the Partnership as a domestic registered limited liability partnership under the New York Partnership Law and as a partnership for federal income tax purposes; and
- (d) assure compliance with any applicable state and federal laws and regulations.

Pursuant to this Section 6.1, Andrea Calvaruso is admitted to the Partnership effective as of January 1, 2009, and she hereby accepts, assumes and agrees to be bound by all of the terms and provisions of this Agreement, as the same may be further amended.

6.2 Death. The interest of a Partner in the Partnership shall terminate upon his or her date of death. The Partnership shall pay to the estate of the deceased Partner the following amounts in full satisfaction of the interest of the deceased Partner in the Partnership (all without the accrual or payment of interest, except as provided in subsection (e) hereof):

- (a) The balance of the deceased Partner's Accrual Basis Capital Account (as such term is hereinafter defined) as of the date of death shall be paid to the estate of the deceased Partner as follows: (x) fifty (50%) percent within one hundred twenty (120) days of the date of death; and (y) the balance thereof within one hundred eighty (180) days of the date of death. The payment described in this subsection is intended to be the deceased Partner's interest in Partnership property under Section 736(b)(1) of the Code. For purposes of this Agreement the "Accrual Basis Capital Account" of a Partner shall mean, as of the date of death, such Partner's capital account balance determined for all purposes utilizing the accrual basis of accounting. As of January 1, 2009, Andrea Calvaruso's Accrual Basis Capital Account balance is zero and Mary Donovan's Accrual Basis Capital Account balance shall be as determined by the Partnership's regular certified public accountants. In the event that the deceased Partner's estate dispute the results of calculations undertaken pursuant to this Section 6.2(a), said dispute shall be resolved by arbitration in accordance with the terms of Section 9.2 hereof.

- (b) Within one hundred twenty (120) days after the close of the Partnership's fiscal year during which the deceased Partner's death occurred, his or her Pro-rata Share (as hereinafter defined) of the net profits of the Partnership for that portion of such fiscal year ending with the last day of the month during which the deceased Partner's death occurred, less any part of this amount which was received by, or contributed or paid on behalf of (including, without limitation, contributions or other payments on behalf of the Partner by the Partnership to the Partnership's qualified profit-

sharing plan and to the Partnership's medical insurance plan), the deceased Partner prior, or subsequent to, his or her death. "Pro-Rata Share" of a Partner shall mean a fraction, the numerator of which shall be such Partner's units of participation on such date and the denominator of which shall be the total number of units of participation of all the Partners at such date.

(c) Within one hundred eighty (180) days of the date of death, any amount (other than the amounts described in paragraphs (a) and (b) of this Section) owed to him or her by the Partnership.

(d) Any amount owed by the deceased Partner to the Partnership shall be deducted by the Partnership from the payments due to the estate of the deceased Partner under this Section from the first payments required to be made hereunder.

(e) If the due date of any payment under this Section shall be other than a Business Day, the due date shall be extended to the next succeeding Business Day. If any payment required under this Section shall not be paid when due, then the Partnership shall pay to the deceased Partner's estate interest thereon at a rate equal to the Prime Rate established from time to time by Citibank, N.A.

6.3 Disability.

(a) Temporary Disability. A Partner shall be temporarily disabled when it is determined by a Majority Vote that due to his or her physical or mental condition he or she cannot adequately attend to Partnership affairs.

From the date of a determination of temporary disability, the disabled Partner will be paid his or her full distributive share of the Partnership's profits for a period of one hundred twenty (120) days following the date of such determination, and thereafter all payments of his or her said distributive share shall cease. Return to practice at any time after said one hundred twenty (120) day period will restore the disabled Partner to his or her full distributive share of Partnership profits, commencing with the first month following full resumption of activities. Full resumption of activities by a disabled Partner will be determined by a Majority Vote (or, if there shall be only one Partner eligible to vote, then the Partnership shall be bound by a determination made under any disability policy in effect for the Partner in question).

(b) Permanent Disability. A Partner shall be considered permanently disabled: (i) when his or her personal physician so advises the Partnership; (ii) when a Majority Vote determines a Partner to be permanently disabled; or (iii) after twelve (12) months of temporary disability, whichever occurs first.

(c) Compensation. The interest of a Partner in the Partnership shall terminate on the date he or she is determined to be permanently disabled. The Partnership shall pay to the permanently disabled Partner in full satisfaction of the interest of the

permanently disabled Partner in the Partnership all payments that he or she would have received, under and in the manner contemplated by Section 6.2 hereof, had he or she died as of the date upon which it was determined pursuant to Section 6.3(b) hereof that he or she was permanently disabled. The death of a permanently disabled Partner subsequent to the determination of permanent disability and before the payment of all sums payable to him or her as contemplated by this Section 6.3(c) shall not affect the continued payments by the Partnership and no additional sums shall be owing by the Partnership to the estate or heirs of the deceased permanently disabled Partner by reason of his or her death.

6.4 Full Retirement.

(a) Voluntary. After attaining the age of sixty-two (62), a Partner who intends to permanently cease the practice of law may voluntarily retire and give written notice of retirement to the Partnership. Retirement shall be effective on the ninetieth day after such written notice and will terminate the retiring Partner's interest in the Partnership.

(b) Compulsory. When a Partner attains the age of seventy-two (72), he or she may be required to retire upon ninety (90) days prior written notice, if requested to do so by special resolution of the Partnership approved by a Two-Thirds Vote.

(c) Counsel. The Partnership, by Majority Vote, may, at its discretion, offer a retired Partner the position of "Of Counsel" upon such terms and conditions as the Partners shall determine. The Partners may, by Majority Vote, at its discretion, offer the position of "Of Counsel" to any other person or persons who are duly licensed to practice law in the State of New York, upon such terms and conditions as the Partnership shall determine.

(d) Compensation. The interest of a fully retired Partner in the Partnership shall terminate upon the effective date of retirement. The Partnership shall pay to the fully retired Partner in full satisfaction of the interest of the fully retired Partner in the Partnership all payments that he or she would have received, under and in the manner contemplated by Section 6.2 hereof, had he or she died on the effective date of his or her full retirement under this Paragraph. The death of a fully retired Partner subsequent to the effective date of retirement and before the payment of all sums payable to his or her as contemplated by this Paragraph shall not affect the continued payments by the Partnership and no additional sums shall be owing by the Partnership to the estate or heirs of the deceased fully retired Partner by reason of his or her death.

6.5 Withdrawals. A Partner desiring to withdraw from the Partnership shall give written notice of his or her intention to withdraw to the Partnership at least ninety (90) days prior to the effective date of such withdrawal. Such notice shall state whether the withdrawing Partner intends to continue in the active practice of the law, whether in private practice, as "in house" counsel, in government or judicial service or otherwise, and

in what specific capacity. Such withdrawal shall be subject to the covenants, obligations and related provisions set forth in this Agreement.

Unless the withdrawing Partner shall have breached any part of this Agreement (provided such breach has been specified by at least fifteen (15) days' prior written notice given by the Partnership and such breach remains uncured), the Partnership shall pay to the withdrawing Partner the following amounts in full satisfaction of the interest of the withdrawing Partner in the Partnership (all without the accrual or payment of interest, except as provided in Section 6.5(d) hereof):

(a) The withdrawing Partner's Accrual Basis Capital Account balance as of the effective date of withdrawal shall be paid to the withdrawing Partner as follows: (i) fifty (50%) percent within one hundred twenty (120) days after the effective date of withdrawal; and (b) the balance thereof within one hundred eighty (180) days after the effective date of withdrawal.

(b) Within one hundred twenty (120) days after the close of the Partnership's fiscal year during which the withdrawing Partner withdrew from the Partnership, his or her Pro-rata Share of the net profits of the Partnership for that portion of such fiscal year ending with the last day of the month during which the withdrawing Partner's withdrawal occurred, less any part of this amount which was received by, or contributed or paid on behalf of (including, without limitation, contributions or other payments on behalf of the Partner by the Partnership to the Partnership's qualified profit-sharing plan and to the Partnership's medical insurance plan) the withdrawing Partner prior, or subsequent to, the effective date of his or her withdrawal.

(c) Any payment due a withdrawing Partner shall be reduced by the amount of any overdrawing of that Partner and by the amount of any other financial obligation owing by the withdrawing Partner to the Partnership. In the event of a breach of this Agreement by the withdrawing Partner, payment may be withheld until the determination and full satisfaction of the withdrawing Partner's liabilities to the Partnership for such breach.

(d) If the due date of any payment under this Section 6.5 shall be other than a Business Day, the due date shall be extended to the next succeeding Business Day. If any payment required under this Section 6.5 shall not be paid when due, then the Partnership shall pay to the withdrawing Partner interest thereon at a rate equal to the prime rate established from time to time by Citibank, N.A.

6.6 Expulsion

(a) Expulsion for Cause. A Partner may be expelled for cause, upon five (5) Business Days' written notice, by a Majority Vote of the other Partners when he or she has (x) been disbarred, had his or her license to practice law suspended, sought the protection of any bankruptcy or insolvency statute of the United States or any State, been

convicted of a crime, or (y) failed or refused to desist in any conduct which the Partnership acting by a Majority Vote of the other Partners determines will (i) violate the canons of professional ethics, (ii) injure the professional standing of the Partnership, or (iii) constitutes a material breach of any part of this Agreement if, after such breach has been specified by written notice given by the Partnership, such breach continues or occurs again. Notwithstanding the foregoing, so long as there shall be only two (2) Partners in the Partnership, an expulsion for cause of one Partner based upon any of the conditions described in Section 6.6(a)(x) hereof may be determined unilaterally by the other Partner, subject to the expelled Partner's right to dispute such determination in an arbitration proceeding between the Partners conducted in accordance with the provisions of Section 9.2 hereof, and an expulsion for cause of one Partner based upon any of the conditions described in Section 6.6(a)(y) hereof may only be determined in an arbitration proceeding between the Partners conducted in accordance with the provisions of Section 9.2 hereof.

(b) Expulsion without Cause. A Partner may be expelled at any time, upon sixty (60) days' written notice, by a Two-Thirds Vote of the other Partners without a determination that a cause for expulsion exists, except that so long as there shall be only two (2) Partners in the Partnership, an expulsion without cause shall not be permitted.

(c) Compensation. The expulsion shall be effective on the effective date of the notice of expulsion. The expelled Partner shall receive the same compensation and obligations as if he or she had voluntarily withdrawn from the Partnership, effective as of the date of expulsion.

6.7 Leave of Absence. When a Partner's performance of professional services for the Partnership and its clients will be interrupted for any period of time in excess of eight (8) consecutive weeks for any reason not covered by other sections of this Article, the Partners by a Majority Vote may grant a leave of absence and shall determine the duration of the leave and the Partner's rights, obligations, and compensation during the period of absence. An approved leave of absence will not terminate a Partner's interest in the Partnership and will not cause his or her disqualification from voting during the period of said leave.

6.8 Provisions Applicable Upon Death, Disability, Retirement, Withdrawal or Expulsion.

(a) Priority Among Provisions. A voluntary dissolution (including any dissolution by law resulting from only one Partner remaining in the Partnership following the death, retirement, expulsion or withdrawal of the other Partner(s)) and termination of the Partnership shall override any of the provisions of this Article VI then in effect, except those as to Partners whose interests in the Partnership were terminated more than six (6) months prior to the date of dissolution.

A Partner who dies prior to the effective date of his or her retirement or disability shall be a deceased Partner under this Agreement.

A Partner expelled for cause prior to the effective date of retirement, disability, or withdrawal shall be an expelled Partner under this Agreement.

(b) Continuation of the Partnership. The death, retirement, disability, withdrawal or expulsion of any Partner shall not cause the dissolution of the Partnership, unless following such death, retirement, disability, withdrawal or expulsion only one Partner shall remain in the Partnership and no additional Partner shall be admitted within one hundred twenty (120) days following such death, retirement, disability, withdrawal or expulsion. The remaining Partners, together with any new Partners, shall have the right, but not the obligation to continue the use of the Partnership Name, provided that a disabled, or withdrawing Partner shall consent to the use of his or her name in the Partnership name, if his or her name has been included in the Partnership name.

The continuing Partnership shall assume the payment of all obligations of the Partnership. However, a withdrawing or expelled Partner shall continue to remain obligated on any leases, purchase agreements or any term obligations incurred by the Partnership prior to the effective date of withdrawal or expulsion in the proportion that his or her Partnership capital interest bears to the total capital interests of all Partners, but only to the extent such Partner had agreed in writing to be personally obligated under any such obligations.

(c) Accounting Matters.
