

AMERICAN ARBITRATION ASSOCIATION
Commercial Arbitration Tribunal

In the Matter of the Arbitration Between:

Case No. 13 180 Y 01865 11

Neil Pisane

-and-

Steven Feig

DECISION AND ORDER No. 3

Pisane's June 2010 "demand" to purchase Feig's shares "in accordance with the LLC Agreements" is null and void and, in any event, superseded by Claimant's subsequent, and continuing, demand for dissolution of the corporation(s). As addressed in his counterclaims and otherwise, Feig has "priority" in these proceedings and the scheduled hearings shall consider, among other things, Respondent's offer to purchase Claimant's interests in accordance with the Shareholders' Agreement.

The parties are reminded that revised witness lists are to be exchanged and submitted to the Arbitrator on or before December 7, 2011, along with revised exhibit lists as necessary.

Dated: November 30, 2011
